Went out approx 11:45 & did washing & drying. 18th over to Donna & did ironing & visited for a time. Took ride around lake. visited Kings Castle & ate lunch at a soft ice cream drive in. Who in road block & got to town @ 4:30. Watched the kids swamining - got groceries - made supper-dressed & at Sahara Tahoe for dinner above @ 6:05 Donna hung rain coat at check stand, alone after show @ 10 p.m. & helped kids to bed. Approx 11:30 p.m. Mom & Donna came home (walked) & Donna & I went out till 2 a.m. (?) @ Donna's on 19th. & took ride downtown. Mom & Donna went sight & shopping seeing: at noon lift Mom & Donna's & drove Donna's car to ski lift. Took kids on ride up ski lift. Then washed car & on to beach for afternoon & barbecue. Took ride downtown to all evening activity & home around 8:30 p.m. Mom & Donna came home 10 p.m. Downtown with Donna & made reservations for Petula Clark show

gambled till 11:30 p.m. On to show. Out at 2 a.m. & gambled for awhile & then home. Up went a.m. @ 8 & ate at Donna's & on trip @ 9:30 a.m. The 20th.

Donna called Karena Aug. 28th & called to everyone. Sounded line.

Sept 18th & 1:30 p.m. Mom received call from Sahara. Donna had not been to work since Sun. Sept 6th @ 2 a.m. Talked with officer Tucher at Lake Tahoe Police Station & leaved apt. had car scarched 1 wh. by me (for a body !) Sept. 11th. Every thing in order. Sahara supposedly required a phone call Sept 8th. namely «Emergency for Donna loss in Nevada». Supposedly from Nevada Sheriff Dept. Vic Jonasson very sure phone call came on the 8th of Sept. said Petrovich took it but Petrovich did not take it until the 11th when Mr. Davis phoned & was informed of emergency. Jo Ann & friend came to spend labor Day night at Donna's new apt. But no one @ Sahara would even say she who missing from work. Donna rented a new apt. the 11 of Sept. But stayed with the Lawes until Fri. night. Larry used her

car Fri. nite as he had a battery go dead & who leaving on vacation the next a.m. (4:30 a.m. Sat.) Went down @ 11:30 p.m. with Granny & said goodbye. Donna who to pick up Lawe's mail & forward it to them. The envelope was made out & 2 particles of mail were in envelope. Jo Ann felt she was asking for Donna. Some person all the time (Vic).

Marge, (?) & myself got on western airline @ 7 p.m. & flew to San Francisco Jo Ann met us @ airport @ 12:30 a.m. & drove us to Lake Tahoe getting there @ 4:30 a.m. Horry office gruted us & knew nothing of missing persons report. Nice - slight gray haired officer came in & was very helpful. We were then assisted to her new apt. Present manage Frank lit us in. Bathroom light was still on. Place very neat & orderly. Cosmetics, toothbrush & case to contact lens were all there. Newly purchase article, charged on Bank America, on the 5th were in place.

at apt. had seen Donna. Car was parked & locked by apt. house. Officer Tucker on at 7 a.m. & appeared to do much to help us but mystery unsolved. My brother Ray & wife arrived @ 7 a.m. from L.A. Went to Sahara & talked to Security. Said all they had was a partly finished letter she was writing & a letter she received from a friend.

Complete apartly of police dept. Appalled us. She was tried, convicted & sentenced in their book without them so much as knowing any of the plain facts. Each time we reported in we gave her name in detail & asked about Donna the new shift never so much as even had a report because they figured she was a runaway. We were old man times by them that she was free, white & 25 & do as she pleased. Each time we reinformed them she was a conscientious, considerate, reliable, friendly person who probably met with foul play which they wholeheartedly layhed @ because they assume (take) many cases like this but 90% always return

We paid \$20.00 to have some one in the Casino Sat. night. We went up & met officer Tucker & he interviewed people for us. Vic was one is not the very first person to be interviewed.

She is a registered nurse & started work @ the Sahara Tahoe June 11th. Originally it was to be only a pummer job but being offered a raise in pay & wanted to pursue the skiing she decided to get an apt. by herself & stay on till the 1st of the year. She was planning a trip to Europe after the 1st of the year.

Sun. Nite when Vic De Vides was on duty we again talked with security. He was amaged that we wanted Vic questions because he was his # 1 security guard in the evening. He had dated Donna a couple of times & called her square because he couldn't get to 1st base with her. «She mad out» with no one on the «hill». & more than first one couldn't get even to the kissing stage with her. Vic had come to duty Sun. p.m. but was

sent home because he was stone drunk. 1st time this had happened. His name is George Victor Jonasson 6 - 3 - 230 # 6-22-44. Frank Farko N. Dak. Divorced-wife & sm. child took in N. Dak,

She also dated a few times young fellow called Tony. He was a Kiino writer. who couldn't account all of his time. There also was a young man called Dave who worked @ Summers Standard Station. on main Hyw. right across state line. This young man had a college degree & was very nervous. Kind in the hill & camped out even when we were out there in Sept. It was cold then & real nippy but as then was still in the hills somewhere.

Janie (a dealer) she was also school teacher. @ Table # 26 when we were there. She knew Donna & had asked her to line in her house. Usually 3 boys & 3 girls lined in the big mansion way up the hill & off from the ski lift. Known as Jonie paid \$ 130(150) with a md. rent. Vic & Dwight were 2 young men who lined there. Donna & a girl named

Tiki took Dwight to San. Francisco to the Service.

Donna rented an apt. @ Monte Verde apt. # 6. phone: 544-5993 and stayed there only 1 night. Fri. Sept. 4th & a.m. Sat. Sept. 5th. She was known to walk to her old apt. But this new one she did drive home Fri. night. If she walked to work Sat. I'm sure she had plans to do something because this road was dark & I'm sure she wouldn't plan to walk home @ 2 a.m. by herself. She aid to the other one because it was closer & will lite until she got to the apt. itself. Nick & Marge Davis 1200 E. Newell apt. 331 Walnut Creek, Calif. phone: 415-9370441 were the awners of Monte Verde apts. When Donna rented her apt. It was managed by Franck Sineau p.o Box 1492 Zephyr Cove, Nev. 8-944. He lived at the apts. A man named Butler the new corner moved in before we lift.

She was seens on Sat. As she

packed the haws remaining things the older nurse who lived in the front apt. of the other apt. had seen her on Sat. (She also had peculiar ways.)

Ganie said she would be very helpful & gave all the wrong dates. She (althrough living with Vic) kept saying a Rick was involved. Dwight kept «saying she (Donna) was with Rick» when we took her to the police station @ 4:30 a.m. Sun. morn. They just greeted here & off she went.

Now Dave & The filling station used to ride Donna's car all the time & so she made the remarks she'd keep him as a friend because you never know when she might need her car saved & she told me she felt in time he'd find himself & amount to something but he was so nervous he made her scare. He did get angry one night when she find him up with her friend & she went with Tony & they met after work.

He asked her have come ? & roared his motor when Tony brought her home.

Sargent R. Bezanson South Lake Tahoe Police was assigned to the case & was very stand officer with whatever was done but we did not question suspected before the police had a chance to.

Johnny Schatt was on the night shift to head security. He did not become involved not even try to help. Donna supposedly always reported off to someone. She did not use the time (**pocket**) clock. She was offered a. \$50./ mo. raise & another \$50 was pending. When asked is the room was searched the police said so & so, ok, so & so did it & finally it was Johnny Schott who did it & he did not remember seeing this obvious big grocery bag with her undership & uniform. Still with name tag on it. This uniform was very dirty. No obvious signs of molesting with definitely more dirty than any other. She was very neat in her appearance & even the fairly new shoes she had appeared really worn.

There was also 2 pages missing from her desk calendar. One that the pages opened & lay flat so the pages one were namely Sept. 6th Sun.

Every other page was intact.
