

On Aug 17-1980 we visited my sister Donna
Mom. with the 17 we met at the 4 seasons &
Leda supper approx 9³⁰ p.m. Put kids to bed
& Mom went to bed. Went out approx 11:15
& did washing & drying. 18³⁰ over to Donna's
& did ironing & visited for a time. Took kids
around lake. Visited Kings Castle & ate
lunch at a soft ice cream drive in.
Was in road block & got to town @ 4:30.
Watched the kids swimming - got groceries -
made supper - dressed & ate Sahara
Tulsa for dinner show @ 6⁰⁵ Donna
hung rain coat at check stand. Home
after show @ 10 p.m. & helped kids to bed.
Approx 11:30 p.m. & Mom & Donna came
home (walked) & Donna & I went out till
2 a.m. Blaf. @ Donna's on 19⁵ & took
kids downtown. Mom & Donna went
shopping. At noon left Mom & Donna's
& drove ^{home} car to ski lift. Took kids on
ride up ski lift. Then washed car
& on to beach for afternoon & barbecue.
Took kids downtown to see evening
activity & home around 8:30 p.m. Mom &
Donna came home 10 p.m. Downtown &
Donna & made reservations for Petula Clark show

Shambled till 11:30 p.m. On to show. Out at
2 a.m. & scrambled for awhile & then home.
Tup next a.m. 28 & ate at Donna's &
on trip @ 9:30 a.m. the 20th.

Donna salad Karuna Aug. 20 28th &
talked to everyone. Sounded fine.

Sept 18th @ 1:30 p.m. Thom received call
from Sahara. Donna had not been to work
since Sun. Sept 6th @ 2 a.m. Talked i Office
Tucker at S. Lake Tahoe Police Station & learned
apt. had been searched 1 wk. before (for
a body!) Sept 11th. Everything in order.
Sahara supposedly received a phone
call Sept 8th. namely "Emergency for
Donna Lass in Nevada." supposedly from
Nevada Sheriff Dept. Vic Jonasson, very
sure phone call came on the 8th of Sept.
said Pacornick took it but Pacornick did
not take it until the 11th when Mr. Davis
phoned & was informed of emergency.

Jo Ann L & friend came to
spend Labor Day night at Donna's new apt.
but no one @ Sahara would even say she
was missing from work. Donna rented
a new apt the 1st of Sept. but stayed
in the Lakes until Fri. night. Larry used her

car this night as he had a battery go dead & was leaving on vacation the next a.m. (4:30 a.m. Sat.) Went down @ 11:30 p.m. to Shanny & said good bye. Donna was to pick up Lewis's mail & forward it to them. The envelope was made out & 2 particles of mail were in envelope. John felt she was tailed Labor Day night when she was asking for Donna - same person all the time (Vic).

Marge, Dick & myself got on Western airline @ 7 p.m. & flew to San. Fran. John met us @ airport @ 12:30 p.m. & drove us to Lake Tahoe getting there @ 4:30 a.m. Navy officer greeted us & knew nothing of missing persons report. Nice - St. Gray haired officer came in & was very helpful. We were then assisted to her new apt. Present manager Frank let ~~us~~ us in. Bathroom light was still on. Place very neat & orderly. Cosmetics, toothbrush & case to contact lens were all there. Newly purchased articles, charged on Bank America, on the 5th were in place. No one

at apt. had seen Donna. Car was parked & locked by apt. house. Officer Tucker on at 7am. & appeared to do much to help us but mystery unsolved. My brother Ray & wife arrived @ 7am from L.A. Went to Sahara & talked to Security. Said all they had was a partly finished letter she was writing & a letter she received from a friend.

Complete apathy of police dept. appalled us. She has tried, convicted & sentenced in their books without them so much as knowing any of the plain facts. Each time we reported in we gave our name in detail & asked about Donna the new shift never so much as even had a report because they figured she was a runaway. We were told many times by them that she was free, white & 25 & could do as she pleased. Each time we reformed them she was a conscientious, considerate, reliable, friendly person who probably met i foul play which they wholeheartedly laughed @ because they experience many cases like this but 90% always return.

We paid \$20.00 to have some one in the casino Sat. night. We went up & met officer Tucker & he interviewed people for us. Vic was one if not the very first person to be interviewed.

She is a Registered Nurse & started work @ the Sahara Tahoe June 11th. Originally it was to be only a summer job but being offered a raise in pay & wanted to pursue the skiing she decided to get an apt. by herself & stay on till the 1st of the year. She was planning a trip to Europe after the 1st of the year.

Sun. morn when Vic De Vides was on duty we again talked i security. He was amazed that we wanted Vic questioned because he was his #1 security guard in the evening. He had dated Donna a couple of times & called her on square because he couldn't get to 1st base i her. She "made out" in no one on the "hill." & more than just one couldn't get even to the kissing stage i her. Vic had come to duty Sun. p.m. but we

Lili took Benight to San Francisco to the Service.

Donna rented an apt. @ Monte Verde Apt. #6. ph. 544-5993 and stayed there only 1 night. Fri. Sept. 5th 2 a.m. Sat. Sept. 5th. She was known to walk to her old apt. but this new one she did drive home on Fri. night. If she walked to work Sat. I'm sure she had plans to do something because this road was ~~dark~~ dark + I'm sure she wouldn't plan to walk home @ 2 a.m. by herself. She did to the other one because it was closer + well lit until she got to the apt. itself. Nick + Mitzy Davis 1200 E. Newell Apt. 337 Walnut Creek, Calif. ph. 415-9370441 were the owners of Monte Verde Apts. when Donna rented her apt. It was managed by Frank De Sineau P.O. Box 1492 Zephyr Cove, Nev. 89444 He lived at the Apts. A man named Butler the new owner moved in before we left. She was seen on Sat. as she

packed the same remaining things.
The older nurse who lived in the
front apt. of the other apt. had
seen her on Sat. (she also had
peculiar ways.)

Janice said she would be more
helpful & gave all the wrong dates.
She (although living in Vic) kept
saying a Rick was involved.
Dwight kept saying she was ^{Donna}
with Rick. When we took her
to the police station @ 4³⁰ a.m.

Sun morn. they just greeted her
& off she went.

Now Dave @ the filling station
used to fix Donna's car all the
time & so she made the remarks
she'd keep him as a friend because
you never know when she might
need her car fixed & she told me
she felt in time he'd find himself
amount to something but he was so
nervous he made her scared.
He did get angry one night when
she fixed him up in her friend & she
went in Tony & they met after work.

He asked her how come? & asked his
mother why Tony brought her home.

Sgt. R. Berganson South R. Tahoe Police
was assigned to the case & was
very stand offish with whatever was
done but he did not question suspect
before the police had a chance to.

Johnny Schott was on the night
shift to head security. He did not
become involved nor even try to help.
Denna supposedly always reported
off to someone. She did not use
the time ~~clock~~ punch clock. She
was offered a \$50. /mo. raise &
another \$50. was pending. When
asked if the room was searched the
police said so & so, oh, so & so did
it & finally it was Johnny Schott who
did it & he did not remember seeing
this obvious big grocery bag & her
underslip & uniform. Still a name
tag on it. The uniform was very
dirty looking. No obvious signs of
molestation & definitely more dirty
than any other. She was very neat
in her appearance & even the fairly new
shoes she had appeared really worn.

There was also 2 pages missing
from her desk calendar - One that
the pages opened & lay flat so the
pages gave were namely Sept. 6th Sun.
Every other page was intact.
